#### **LIMITED LIFETIME WARRANTY**

GLOMEX warrants its products to be free of defects in materials and workmanship for as long as the product remains the property of the original purchaser (except for Satellite antennas and Directional TV antennas which are covered by two or three years warranty on the parts). GLOMEX's obligation under this warranty is limited to repair or replace defective products. No material will be repaired or replaced without written authorization from GLOMEX or its assigned representatives. Repair or replacement will be made only after an examination indicates defective material or workmanship at time of manufacture. GLOMEX is in no event liable for consequential damages, installation costs or other costs of any nature incurred as a result of the use of the products manufactured by GLOMEX, whether used in accordance with instructions or not. All shipping costs on returned material are the responsibility of the purchaser. GLOMEX is not liable for repair or replacement of any product damaged by lightening, other natural phenomenons or incorrect installation including reverse polarity connections. This warranty is in lieu of all others, either expressed or implied. Proof of purchase is required.
